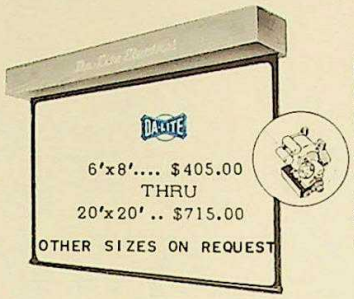
The NEW Da-Lite Electrol

with famous White Magic GLASS BEADED SCREEN FABRIC



6'x8'.... $405.00
THRU
20'x20'.. $715.00
OTHER SIZES ON REQUEST

An automatically operated heavy-duty motor-driven screen for auditoriums and other places where large roll type screens are necessary. The oiled-for-life motor has been specifically engineered for quiet operation and long life. Stops automatically in up and down positions.

THE MOST PRACTICAL AND EASY-TO-USE ELECTRICALLY OPERATED SCREEN

ECONOMY PRICED . . . AUDITORIUM SCREEN

The large screen for the smallest of budgets. Unrolled and rolled by means of ropes and overhead pulleys. The rigidity of the batten and straightness of the roller assures proper tension for a smooth wrinkle-free picture surface.

Da-Lite PROJECTION SCREENS

Vidiomaster

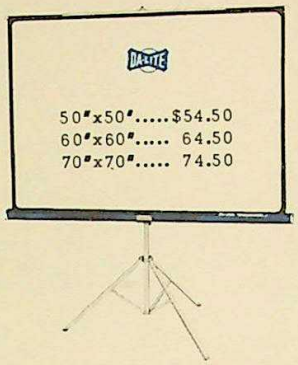
for better AUDIO-VISUAL planning

There are more Da-Lite projection screens in use today than all other makes combined

... the standard by which all others are judged

The NEW Da-Lite Vidiomaster™ A

with famous White Magic GLASS BEADED SCREEN FABRIC

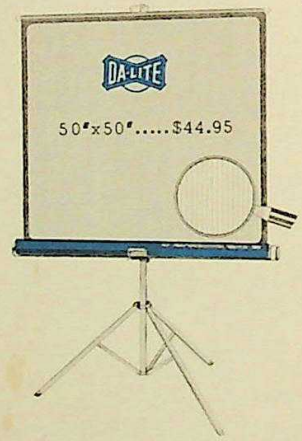


The crowning achievement in heavy-duty portable projection screens especially designed for the Audio-Visual field that meets all of the requirements of the most discriminating buyer. The Da-Lite Vidiomaster A has quality craftsmanship and features unequaled in the industry.

And of course the screen fabric is the famous White Magic V-4 glass-beaded flame as well as fungus resistant.

The NEW Da-Lite Vidiomaster™ Wonder-Lite

with the NEW *Wonder-Lite* SCREEN FABRIC LENTICULAR



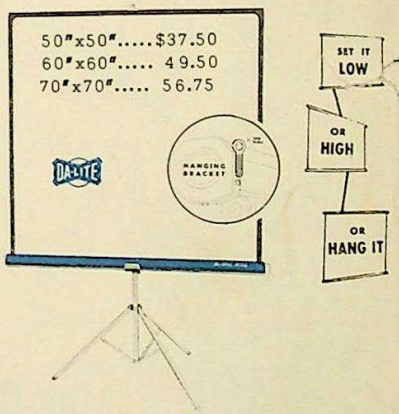
Continuous leadership in research and development has produced another Da-Lite exclusive .... The Wonder-Lite lenticular screen surface. This spectacular fabric was scientifically engineered to concentrate projected light for the widest possible viewing angle without distortion or eye fatigue. Wonder-Lite gives greater brilliance, sharper contrast, fine definition. It is a must for undarkened rooms.

REMOVABLE CASE FOR WALL USE

The NEW Da-Lite Vidiomaster™ Hilo

with famous White Magic GLASS BEADED SCREEN FABRIC

A Da-Lite original, ideal for all types of audience use....as a portable tripod or hang it from the wall. Set it high....or low....or remove case from tripod and PRESTO you have a wall-hanging screen. No other screen has all the features of the Da-Lite Vidiomaster Hilo.



The NEW Da-Lite Vidiomaster™ B

WALL AND CEILING

with famous White Magic GLASS BEADED SCREEN FABRIC

An excellent screen for wall use that is ruggedly constructed. Brackets permit hanging from wall or ceiling. Easily moved from room to room. Positive preset roller locks prevent damage to flame and mildew resistant fabric.
